BENEFITS & FEATURES

#2 Robertson®
Square Drive

#2 Recex®
SQ/PH Drive

#2 Phillips
Drive

Flat Head with Nibs

Type-17 Point

- Robertson® Square Drive, Phillips drive, or Recex® Square/Phillips combo drive
- Type-17 Point
- Nibs for better countersinking
- Lube, Black or Zinc Finish

Available Sizes

#8 from 1" to 3-1/2"

- Heat-treated steel for high tensile strength and high shear strength
- Self-countersinking NIBS under the head for faster installation
- Type-17 Point for quicker starting and reduces the need for pre-drilling
- Available with the original Robertson® Square drive or in Phillips or Recex® Square/Phillips combo drive
- Lo Root® coarse threads offer easy driving and maximum hold in soft and man-made materials
